Tampa Bay

**“There is *no other* event *like this*.”**

***The 13 Ugly Men Foundation & Bern’s Steak House have teamed up to create “The Invitational” in Tampa Bay. This exclusive and intimate golf outing will be held at the award-winning championship golf course, TPC Tampa Bay. Following the tournament, there will be a Whiskey & Cigar Lounge, which includes music, food, cigars, & whiskey tasting.***

The Bobby Weed-designed 18-hole resort course has been named one of the top five courses in Florida. The 13 Ugly Men are known for their legendary out-of-this-world events, bringing you and your friends a fun and uniquely different golf experience. Bern’s Steak House is also known as one of the best restaurants and culinary experiences in Tampa, so prepare for an unforgettable meal. If you enjoy golf, partying for a purpose, and the most incredible food and beverages — you will not want to miss out on this opportunity.

“We believe in  
*good times*  
that give back.”

The 13 Ugly Men events are some of the biggest and best parties around, but that’s not what makes them so special. Our events are unique in that the funds raised during the event go directly to a local Tampa Bay charity chosen specifically by 13UM. As a result, we’ve raised thousands for local nonprofits and countless more — all by having a great time with our friends and patrons at our spectacular events.

Established in 2018, the Laxer Family Foundation supports initiatives promoting culinary education, hunger awareness, active military, wounded and disabled veterans, and developing at-risk and aspiring youth. Working together through events and advocating for local and national causes truly enhances lives. The Foundation is proud to work with incredible organizations and is now honored to co-host this golf tournament benefiting Boys & Girls Club of Tampa Bay and Tampa Hope.

## Benefiting Charities

Since its founding in 1926, Boys & Girls Clubs of Tampa Bay has been on a mission to enable all people, especially those who need us the most, to reach their full potential as productive, responsible, caring citizens. The staff gives kids the foundation for a life full of potential to overcome the Learning Gap and become successful citizens. With targeted programming around Academic Success, Health and Wellness, and Character and Leadership skills, they strive to provide a nurturing and safe place for their dreams to take flight.

In March 2020, the City of Tampa partnered with the Catholic Charities Diocese of St. Petersburg to create Tampa Hope, a temporary shelter for the homeless in Tampa. However, due to the risk posed by the coronavirus, as well as the simultaneous business closings and reduced access to food and restrooms, city officials decided to relocate these residents to provide the best opportunity to care for them.
